Yes

The Press conference is being held on Monday Feb 3

Joella has hired a stage, AV, hospitality, and we are loading them in at 5:00am in the morning.

The stage will be 16 X 20. I'm not sure about how big the video screen is and what sound system they are using.

The press conference goes up at 8:30am

Invitations were sent from Joella's and as requested we put it out on our social media.

I asked if after the press conference we could put the video up on our PS website with no response.

That's all I have on this gig.
